The Buyer agrees to take the kitten/cat to a Veterinarian within 48 hours to insure kitten's/cat's health. If the Veterinarian finds any physical problems, which make it a health risk, the Buyer may return the kitten/cat to Adorablerags within **3 days** of receipt for an **exchange** with a kitten/cat of equal value. Buyer shall be responsible for any veterinarian and/or shipping costs that may incur.

Adorablerags will have completed all of the age appropriate vaccinations at the time of pickup. A copy of the vaccination record will be provided to the Buyer.

Buyer agrees that the inoculation (vaccination) for Feline Infectious Peritonitis (FIP) is controversial, and studies have shown the vaccine to be dangerous and **by giving this vaccine, any and all health guarantees in this agreement become null and void.** Please check with your vet about the vaccine Feline Leukemia (Felv), your vet can let you know if they feel this vaccination is in your cat's best interest. **NEVER allow the Rabies vaccination to be given along with ANY other vaccination!** Failure to comply will void all said guarantees.

Adorablerags show quality kittens/cats are guaranteed to show, and be within The International Cat Association Standards. Adorablerags does NOT guarantee how well the kitten/cat will show and/or place.

Adorablerags breeder quality kittens/cats are guaranteed to reproduce, and be of the best quality to the Breed Standards. If for some reason the female does not become pregnant within a 2.5 year period, she will be returned to Adorablerags at Buyer's expense. Adorablerags will use a stud to ensure the female is able to breed. If she does become pregnant Adorablerags will keep one of the kittens, and the female will be returned to the Buyer at the Buyer's expense. If the female **does not** become pregnant, and is determined by Adorablerags not to be able to breed, then Adorablerags will provide another cat or kitten to the Buyer in exchange for the non reproductive female.

Adorablerags guarantees **animal replacement only! NO refunds!**

The Buyer shall keep the kitten/cat indoors in a clean, pleasant environment, and generally uncaged. The kitten/cat shall not be allowed outdoors, except in a proper carrier or enclosed run that provides adequate protection from the elements, other animals, and disease.

The Buyer shall provide the kitten/cat with the proper nutrition, health care, and companionship. Adorablerags retains the option to inspect the kitten/cat and its living environment upon giving reasonable notice to the Buyer.

The Buyer accepts the responsibility of caring for this kitten/cat, and providing properly for its welfare.

Buyer should keep in mind that the stress of re-homing a kitten/cat may result in temporary signs of illness, which may include sneezing, runny nose, watery eyes, diarrhea or constipation.

To assist in reducing signs of stress, buyer should feed the kitten/cat identical food as recommended by the Breeder.

It is suggested that the Buyer take reasonable measures in reducing stress by slowly introducing the new family member to other members of the household, as well as limiting time the kitten/cat may be with strangers, children and other animals for the first couple weeks in his/her new home.

The Buyer agrees to follow the Adorablerags instructions on care, housing, diet, treatment and health.

The Buyer agrees that this kitten/cat will always receive prompt, top-notch medical care, and will never be allowed to harbor parasites.

The Buyer agrees to provide companionship for this kitten/cat, never leaving it alone for long periods of time without human attention. This kitten/cat will not be left unattended if the Buyer is away overnight, but will be checked on by a pet sitter or other human at least once a day, or boarded at a veterinary clinic or equivalent facility.

The Buyer agrees to provide a generous amount of exercise for this kitten/cat, to provide it with a scratching post and **not to cage it**.

The Buyer agrees **never to declaw** this kitten/cat, and understands that declawing is a mutilation

and a cruelty that is likely to alter the kitten's/cat's temperament, affect its health and endanger its life. A simple scratching post nearly always resolves the problem.

The Buyer will maintain reasonable contact with the Adorablerags for the first two years of this kitten's/cat's life by providing updates on the kitten's/cat's health, behavior and overall temperament. Adorablerags will not be responsible for any routine veterinary costs.

The Buyer must notify Adorablerags of change of address, telephone number or email address.

Under no circumstances shall the kitten/cat be sold, leased, or given away to any person, breeder, pet store, laboratory, research facility or animal shelter. If the Buyer is unable or unwilling to properly care for the kitten/cat, it shall be returned to Adorablerags **without refund at the Buyer's expense.**

Adorablerags shall **not be held liable** for any contagious disease the kitten/cat may contract, or for any veterinary or health care costs occurring while the kitten/cat is in the possession of the Buyer.

The Buyer agrees if any of the above terms are disregarded, that Adorablerags may reclaim this kitten/cat **without a refund** of the purchase price.

If the Breeder finds it in the best interest of the kitten/cat, then the Breeder has a right to **cancel this contract and refund all monies paid, before Buyer has possession of kitten/cat.**

Any legal fees incurred, will be the responsibility of the Buyer, and will be filed and governed by, and enforced in accordance with the laws of the state of Kentucky, and the County of Boyd.

This Agreement is for mutual benefit, we hereby affix our signatures.
